

NETLOCK FITTINGS

The **SAHM SPLICE - NETLOCK** fittings system is the simple method for producing nets in materials such as Synthetic fibre and Steel wire ropes. Only a hammer and **NETLOCK PUNCH** are required to effect secure joints. Fittings are available in Carbon steel, Stainless steel and Aluminium alloy.

Prod Ref	Part No	Material & Finish	Punch Ref	Rope Capacity [mm]
NBS 8	786080/81	Bright Mild Steel	A 786010	Ø 5 – 8 [Steel Rope]
NBS 10	786100/101	Bright Mild Steel	B 786020	Ø 9 – 10 [Steel Rope]
NSX 8	786082/83	Stainless Steel	A 786010	Ø 5 – 8 [Stainless Steel Rope]
NA 9	786090/91	Aluminium Alloy	A 786010	Ø 5 – 9 [Synthetic Rope]
